

Family Action for Christian Education Agreement

David's Christian Learning Center believes that parental involvement not only benefits the Center and the children, but parents as well. Many parents entrust their children to us for up to 10 hours each day and are not always aware what goes on in their children's "world." Knowing what happens at DCLC, as well as being a part of the decisions that occur here, builds trust, improves the quality of the programs and ensures accountability in what we do.

As a result, the DCLC Parent Advisory Board has supported DCLC's decision to create the FACE (Family Action for Christian Education) Agreement. This Agreement is designed to tap into the talents and resources our families have to offer and spread the responsibility of quality education and care through volunteer service. By doing this, we control costs and increase the personal investment each family has in DCLC. The FACE Agreement asks each family to volunteer for at least one event each year. These opportunities range from small tasks around the Center to helping with fundraisers or social events.

As a non-profit ministry of the church, David's operates within a modest budget. Parental involvement is essential to keeping costs low and assisting in raising additional funds for our organization. Direct financial support is always welcome, but not all we need. Sometimes we need *involvement*.

YOU can help - with very little time and effort. We have made it easy by providing a lot of areas and opportunities to get involved. There is something for everyone and every schedule. Please indicate the types of activities where you are willing and able to serve. This list is not exhaustive. We are open to other suggestions and will also provide additional areas to volunteer as they come up through the year.

We introduce this Agreement as a part of the Welcome Packet to every new enrolling family and renew the volunteer opportunities each January, as new events for the year are planned.

Thank you for your commitment to the ongoing success of David's Christian Learning Center.

Other

- Center Handy Man
- Adopt a Bulletin Board
- Classroom Helper
- Vacation Bible School
- Field Trip Chaperone
- Field Trip (Driver w/ van)
- Fundraising Coordinator
- Community Service/Charity Coordinator
